

80w LED Vapour Proof Light 1800mm

**INCREDIBLY DURABLE LIGHT FITTING
WITH A HIGH IP66 RATING.**

This durable LED Batten light has an Ingress Protection rating of IP66 which means it is completely dust tight and offers full protection against powerful water jets. The sturdy yet lightweight aluminium backing not only provides efficient heat dissipation but also generates a protective oxide coating which is highly corrosion resistant; making this light perfect for use in; Car Parks, Warehouses, Offices, Supermarkets, Outdoor Areas, Science Laboratory or in any Commercial/Industrial setting.

At almost 8000 useful lumens this fixture has the equivalent light output of four 4ft fluorescent tubes whilst using much less energy. Simply install this product by attaching it to the brackets provided and wiring it directly to the mains.

NB. The replacement wattage listed is for Fluorescent Tube Luminaires and the Emergency fitting gives the option to be either MAINTAINED or NON-MAINTAINED.

Application

Car Parks, Warehouses, Offices, Supermarkets,
Outdoor areas and Science Laboratories

Product Code	Dimensions	Input	Lumens	Power	Equivalent	Colour	Kelvin	Dimmable

TRI/IP66/1800/NWND	1800*90*63mm	AC240V	8000	80W	200W	Natural White	4000K	No

PRODUCT SPEC

- Lumens: 8000
- Light Colour: 4000K
- Type: Linear LED
- IP Rating: IP66
- Average Life: 45,000 Hours
- Equivalent To: 200W
- Input Voltage: AC 240V
- CE / ROHS: CE, RoHS
- Dimmable: Optional
- Dimensions: 1800*90*63mm
- Wattage: 80W
- Beam angle: 120°
